December 5, 2022 AT 9:00 AM · Virtual Meeting – Meeting Minutes

Members Present: Michaela Johnston, Kim Johnston, Rachel Anstett, Rebekah Msuya-Collison, Carson Lamb, Kaitlin Bos, Kirstin Crane

Chair Johnston called the meeting to order at 9:02 a.m.

1) Approval of Agenda

Budget was added as a discussion item.

Moved by: R. Anstett

Seconded by: K. Bos

That the Agenda for Monday, December 5, 2022 be approved as amended. Carried.

2) Meeting Notes– August 2, 2022

Moved by: R. Anstett

Seconded by: R. Msuya-Collison

That the meeting notes of August 2, 2022 be approved as presented/as amended. Carried.

3) Oversight Committee Nominees

The group reviewed the nominees and Michaela noted that the Health Group has added Lynn Hicks from AMGH. There was a discussion on making the actual appointments on municipal by-laws generic to name municipalities and confirm sectors. The sector and municipality will be able to assign who they want to attend the meetings. Once the municipality appoints a specific staff/Council forward those names to Michaela.

4) Joint Report to Council

Michaela provided a brief overview of the drafted report and proposed structure of oversight committee and working group. There was a discussion on number of meetings, terms of references and communication as several municipalities were having Council members appointed to the Oversight Committee. Michaela noted that she is taking a report to her Council and Rachel noted that she will be taking a year end report to Council.

5) Terms of Reference for Oversight Committee

It was decided that there would be a staff representative on the Oversight committee and Michaela noted she would take this role and Kim and Rachel added that they would be available if needed. It was discussed that the Oversight committee would meet in March and September annually and the Working group would meet at least once a year and as needed through the minutes of the Oversight Committee. The Oversight Committee will help identify priorities and provide information on their initiatives and this would help define municipal priorities.

Staff representative on the Oversight Committee will circulate the meeting notes to the working group, which will be made up of staff only. The working group would help identify priorities that would work in their own municipalities depending on capacity and need. Working group meetings would be an opportunity to strategize on collaboration and avoid duplication.

Michaela to draft terms of reference for both Oversight Committee and Working group and circulate for comments.

6) Social Media Schedule.

Kaitlin, Rachel and Rebekah to remain on this subcommittee. Michaela will reach out to OHT, Choices for Change, Huron County, Rural Response, Rebekah to OPP. Rachel to AMDSB and Fanshawe, Kristin would reach out to United Way for their media schedules.

7) Resources / Correspondence / Of Interest

The correspondence was received by the working group.

8) New Business/Roundtable

Consensus that working group will ask all municipalities to take the Terms of Reference and Appointment By-law for the Oversight Committee to their Councils by February. Most municipalities advised they would be carrying over their 2022 Community Safety Well-being budget to 2023.

It was decided to move the website discussion to next year and Michaela said she would set up a teams group for the working group.

9) Next Meeting
