The Corporation of the Municipality of South Huron

By-Law #17-2020

Being a By-law of the Municipality of South Huron with Respect to Development Charges

Whereas the Municipality of South Huron will experience growth through development and re-development; and

Whereas development and re-development requires the provision of physical and social services by the Municipality of South Huron; and

Whereas Council desires to ensure that the capital cost of meeting growth-related demands for or burden on municipal services does not place an excessive financial burden on the Municipality of South Huron or its existing taxpayers, while at the same time ensuring new taxpayers contribute no more than the net capital cost attributable to providing the current level of municipal services; and

Whereas the *Development Charges Act*, 1997 (the “Act”) provides that the council of a municipality may by by-law impose development charges against land to pay for increased capital costs required because of increased needs for services; and

Whereas a development charge background study has been completed in accordance with the Act; and

Whereas the Council of The Corporation of the Municipality of South Huron has given notice of and held a public meeting on the 2nd day of March, 2020 in accordance with the Act and the regulations thereto;
